

White Clay Soccer Club Coaches and Managers Registration Information 2020/2021

To Coaches and Managers,

Each year, coaches and managers need to register and get issued a pass. This guide will step you through everything you need to do. All of this needs to be completed so you can step on the field AND be issued your discount code for your player's registration fees.

As you may know, we have been required to change the registration platform (once again) to GOT SPORT (Got Soccer). We believe the platform is actually a bit easier to navigate for coaches and managers.

For the safety of our players, registering as a coach or manager has a lot of steps AND will require you to set aside **A FEW HOURS** to complete all of the steps. **PLEASE** do not delay moving through this process or wait until the last minute.

There are three aspects of REGISTERING -

- Going onto the Got Sport, setting up an account (if you have a player, it will be the same account) and **Registering**. This will require adding your information (and uploading photo) and stepping through some acknowledgements.
- Completing and uploading all of your **CLEARANCES** There is a separate document that steps your through what clearances you need and how to add them to your account.
 - If you DO NOT currently have clearances, you need to work on this immediately to as it may take a while to complete.
 - If you DO currently have clearances, you just need to step through the document to upload them and add any updated Affidavits.
 - If you were a coach or manager when these Clearances requirements were first put in place in 2015 – ALL OF YOUR CLEARANCES HAVE EXPIRED AND THEY MUST ALL BE RENEWED.
- Completing required Training **each year** you must complete (through the Got Sport platform)
 - Concussion Training

- o Safe Sport
- EPYSA Risk Management

BEFORE going on the website and starting Registration -

- You will need a **Headshot Photo** of yourself for your pass in JPEG, JPG or PNG format. Your phone is the best way to accomplish this. The website can only handle pictures 300x400 pixels maximum size.
 - Photo can ONLY be a headshot
 - Photo must not include other people
 - No sunglasses or hats

REGISTRATION -

All Coaches and Managers must register through the EPYSA Got Sport Website in order to be issued a card for the 2020/2021 Season. Once all of your requirements have been met for Clearances and Training, you will be issued a discount code for your play registration fee discount.
