

White Clay Soccer Club

Player Registration Information 2020/2021

To White Clay SC 2020-2021 Parents,

As we begin the summer, the time has arrived to get our players registered for the 2020/2021 Season. Many of you will remember that last year we moved to a new on-line platform required by US Soccer that was intended to save an enormous amount of time in future years.....well they have now implemented YET ANOTHER new platform that ALL State Associations are moving to. None of the information uploaded to Stack Sports last year is transferrable to GOT SPORT (Got Soccer) this year. So we have to start all over again.

To this end, the system relies on **PARENTS** to gather **THE SAME** paperwork they have done in the past, but **PARENTS** will now upload this information. This will mean more work for everyone again this year, however, this will save us enormous amounts of time in future years.

Please see the following guidelines for **REGISTERING** your Player and **PAYING** your Annual Club Fees. We have done testing of the EPYSA Got Sport web portal and have put together these guidelines along with some tips for proper input.

Registration and Deposit are **Due July 15th**. Please work to get this completed, so that we can ensure Player Passes are ready for the first games of the season.

2020/2021 Club Fees – The Club Fees for the upcoming 2020/2021 season will be **\$625**.

- The Club Fee includes all fees associated with

- The Club Fee DOES NOT include;
 - Travel and accommodations related to games and tournaments

This will be an option you select at the time of check out from registration. Please do not take the discount, if you are not a current Club member. We will audit this post registration. If you are financially able to, we also ask that you consider not taking the discount and donate it back to your TEAM. All donations back will stay in your team account for team expenses.
